How to transfer money with PAPSS

Confirm the country you want to send money to is available.

PAPSS is being rolled out over Africa gradually. For the moment, it is available in over 20 African countries.

If at a branch, tell the staff you want to make a transfer using PAPSS

Staff in the branches of available banks have undergone training to start initiating transfer on PAPSS. If you encounter any difficulties, please inform us at info@papss.com

Done! You've successfully initiated your first PAPSS transfer.

Spread the word, transfer money now with PAPSS!

01

Check if your bank or mobile wallet is live on PAPSS.

Scan this QR code to access the list of available banks on PAPSS.

03

Use your mobile wallet app, your bank's mobile app, internet banking, or visit the nearest branch.

PAPSS is accessible through branches, mobile application or online banking depending on your bank.

05

Follow the on-screen or staff instructions to complete the transfer.

Please adhere to the requested instructions in order to successfully complete the transfer.

Extended Network for
incoming payments

How the network of reachable institution is structured

PAPSS connects with banks and fintechs who have signed up as Participants (Direct or Indirect) and can both send and receive payments. PAPSS Participants can also terminate payments into a much wider set of institutions through our Extended Network partners. Combined, the network reaches over 270 financial institutions across 15 African countries.
